INTRODUCTION

Founded in 1970 by Joan Miller-Chairman, BUSINESS INTERIORS is a woman-owned enterprise with continuity of ownership and culture for over forty years. Having received such honors as the Steelcase Exemplary Performance and Founders awards, the dealership is highly recognized in the contract furniture industry for its drive and innovation to improve customer service. BUSINESS INTERIORS also won Women's Business Council-Southwest's WBE of the Year three times in the last twelve years. The company is certified through WBCS, North Central Texas Regional Certification Agency, and the Historically Underutilized Business Certification and Compliance Program. Miller Office Interiors, Addison-TX and B.I. Express Office Furniture are Business Interiors companies.

HEALTHCARE-FOCUSED

BUSINESS INTERIORS dedicated team of healthcare specialists have a genuine understanding of the ever-changing healthcare market and its needs. We use our knowledge to help customers optimize the experiences of their patients, caregivers and partners in care—believing a solution-focused environment supports the distinct needs of these groups as well as how they interact.
